Dear Parents and Guardians,

On Sunday, Pope Francis canonized Mother Teresa. Throughout the world people were remembering her life and her words. Among some of her inspirational quotes she said that God does not call us to be successful (perfect), He calls us to be faithful.

Francis encouraged us in his homily, "Let us keep her smile in our hearts and give it to those whom we meet along our journey, especially those who suffer."

May the gracious care of the Lord our God be ours,
Ms. Danielle Gonzalez
