Dear Parents and Guardians,

"Jesus answered and said to them, 'Destroy this temple and in three days I will raise it up.' The Jews said, 'This temple has been under construction for forty-six years, and you will raise it up in three days?' But he was speaking about the temple of his body." (John 2:13-25)

Sometimes Jesus is speaking to us through scripture, daily events, or other people. Does our understanding of what he is trying to tell us stay at a superficial level? The meaning or purpose God has in store for us can be greater than our human minds can imagine. Let us take some extra time in reflection during the Lenten season to try to come to a deeper meaning of God has in store for us.

Lord, you have the words of everlasting life,
Ms. Danielle Gonzalez
