Dear Parents and Guardians,

"Create a clean heart in me, O God." (Psalm 51)

Hand sanitizer has become a routine. Women carry it in their purse, people leave it on their desks, and places of work have dispensers mounted on the wall. We are accustomed to washing our hands or using hand sanitizer throughout the day after the use of the restroom, sneezing, coughing, etc. Proper hygiene and preventing the spreading of germs is important to us.

What if we were just as concerned with preventing the spreading of sin or bad vices? Imagine if everyone stopped to ask God to clean their heart every time a poor judgement of another came to mind, or when unkind words are starting to come to the lips, or when we do not take the time to be with someone in need of a listening ear.

Yes, let us ask God to create a clean heart in us, not just today, but every day and throughout the day. Let us make it part of our routine.

Ms. Danielle Gonzalez
